FOURTH QTR RECAP

The Fourth Quarter may be our busiest time of the year. We hosted a holiday event each month as well as wrapped up our after school programs and basketball leagues.

Our Halloween party brought the community out. We had everyone from Spiderman to Beetlejuice. In partnership with Lexington Market we were able to feed 613 individuals a few days before Thanksgiving.

If you attended our Christmas Giveback at Rita Church, then you KNOW we had the BEST Santa in 2026!

LB IN THE COMMUNITY

As we approach 2026, we will use all of the amazing lessons learned in 2025 to be better for Baltimore's youth and their families.

From our workshops to our mentorship roundtables, the intention will always be IMPACT. At the end of the day, we strive to continue developing our young people holistically!

2026 is about sustaining what we've built these last 5 years! We are narrowing our focus to three buckets: youth development, family & community, and wellness!
