LEADER BREEDERS

NEWSLETTER

As the second quarter of 2025 takes off, Leader Breeders is extremely grateful for how our first quarter of 2025 went! We were able to host multiple events, obtain grant money, develop new partnerships, as well as continue to develop relationships with our current partners .

This past month we hosted our Women's Empowerment Panel featuring some of the most amazing women in Baltimore. We also hosted a community clean up with Gardenville Elementary and a free basketball clinic at Belair Edison Elementary School.

In addition to our events, our mentorship program was able to visit The Kreative Printshop to learn how to design and print their very own T-shirts.

Winter Recap

Our CEO/Co-Founder Tiny Adams personally received a lot of recognition through the beginning of 2025. Coach Tiny received citations from Mayor Brandon Scott and Delegate Caylin Young courtesy of The Cube Co-Work Space and Women Leading Baltimore. If you know Coach Tiny, you know she's all about Leader Breeders 24/7. We are blessed to have her leading the way for us!

Most recently we received the IECA Literacy Grant that will support our current Reading Literacy After-School Program at Belair Edison Elementary School in partnership with Reading Partners.

In addition to the IECA Grant, we were awarded the Safer Stronger Together Initiative Grant in which we will offer a 16 month program that will consist of a basketball league and clinics, workshops, mentorship, and workforce development for 13-25 year olds primarily in the 21213 zip code.

Inside LB & The Community

Leader Breeders is dedicated to collaborating with community partners, community schools, and other organizations to bring unique experiences to our youth and their respective communities. We have officially launched the East - West LAB (Leadership Alliance of Baltimore). The LAB's mission is to unite organizations across East and West Baltimore to provide safe, inclusive spaces for youth to thrive through mentorship, education, athletics, arts, and community service. .

Leader Breeders is currently looking for honorable men in the Baltimore community to be part of our Safer Stronger Together Initiative as mentors and basketball coaches. If you or someone you know is interested please don't hesitate to reach out.

Leader Breeders believes in paying it forward. If you get the opportunity to, please support other local non-profits and community schools.
